FREEDOM

February 4 thru March 11, 2023
Opening Weekend: February 4 - 5

Freedom can feel as though it exists within a grey area- unclearly defined. Our understanding of freedom evolves and/or devolves with society. As we all strive to achieve some version of freedom, we experience its complexity. Windsor Art Center has encouraged artists from all over, via open call, to share their perspectives on freedom and the pursuit thereof.
